In The Written Description

Applicant respectfully submits a substitute specification and abstract, pursuant to 37 C.F.R. §1.121(b)(3). Please delete the pending specification and abstract pursuant to 37 C.F.R. §1.121(b)(3)(i). The substitute specification and abstract include a new title, per paragraph of 1 of the Office Action, and an amended abstract in accordance with the suggested amendments per paragraph 2 of the Office Action.

In accordance with 37 C.F.R. §1.121(f), Applicant affirms that the substitute specification does not include any new matter and is submitted only to more accurately describe the invention.

To fulfill the requirements of 37 C.F.R. §1.125(c), Applicant submits a mark-to-show copy of the substitute written description and abstract (as compared to the written description and abstract as amended preliminarily on March 17, 2004) which shows the matter being added thereto and deleted therefrom, attached hereto as Appendix A ("Mark-to-Show Specification and Abstract"), and a clean version of the amended written description and abstract, attached hereto as Appendix B ("Substitute Written Description and Abstract"). Additionally, for the Examiner's convenience, please find attached a copy of the pending specification and abstract as Appendix C as previously amended ("Original Copy of Specification and Abstract").
